

How you Can Help Support the Allentown Rescue Mission

The Allentown Rescue Mission is dedicated to the rescue, rehabilitation and restoration of people in crisis. For more than a century, the Mission has addressed the changing face of homelessness by tackling its root causes and helping individuals along a path to self sufficiency. Each year the Mission provides emergency and long-term shelter for 700-800 men. The average length of stay at The Gateway Center, our emergency shelter, is 14-days. Your donation of travel size items will help meet a critical need.

The Allentown Rescue Mission has partnered with Minimus.biz to allow our donors to purchase products and ship them directly to the Mission. To view and purchase current items for which we have an immediate need, please go to our Minimus.biz landing page at www.minimus.biz/allentown.

At check out, simply enter your address as the “ship to” address and Minimus.biz will ship your donation directly to the Mission (no shipping cost will be charged to you). The packing slip for your order will also be sent to us so we can thank you.

Available To Us At Special Wholesale Pricing From Minimus.biz:

THANK YOU for your generous support,
which will help make a positive difference!
