INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Allentown Rescue Mission, Inc. Allentown, Pennsylvania

Opinion

We have audited the accompanying financial statements of Allentown Rescue Mission, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Allentown Rescue Mission, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allentown Rescue Mission, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allentown Rescue Mission, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance

and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Allentown Rescue Mission, Inc.'s internal control. Accordingly,
 no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allentown Rescue Mission, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1. ORGANIZATION AND PURPOSE

Allentown Rescue Mission, Inc. (the "Mission"), is a not-for-profit corporation organized under the laws of the Commonwealth of Pennsylvania, with a mission of "Rescue, rehabilitation and restoration for men in crisis." For those in need, the Mission will meet physical, spiritual, emotional, social, and intellectual needs to the best of its capabilities. The Mission provides a safe and disciplined environment, teaching, counseling, rehabilitation, work, and referrals so that each person in need can work to achieve self-sufficiency.

The Mission is the sole member of four limited liability companies (Allentown Rescue Mission Clean Team, LLC, Allentown Rescue Mission Workforce Development, LLC, Brighter Future of the Allentown Rescue Mission, LLC and ARM Events, LLC) the operations of which are included under the activities of the Mission.

The Organization is exempt from federal income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code.

Descriptions of the Mission's programs are as follows:

Gateway Center

The Gateway Center (emergency shelter) is the most basic of the programs and is often the entry-point into the long-term programs. Emergency Shelter receives clients - literally - off the street, who have exhausted all support and typically have multiple and long-term problems.

The Mission provides 72 beds for homeless men; the shelter is open seven days a week.

Christian Living Transitional Program

The Christian Living and Values Transitional Program is a Christ-centered, residential program for the restoration of homeless men to God and the community. The program offers the Good News about Jesus Christ and spiritual growth opportunities, transitional housing and housing assistance, meals and clothing, life skills education, and referrals to other service providers.

Christian Living Graduate Program

The Graduate Program provides transitional housing for Christian Living Program graduates in a safe, clean, supportive environment that helps clients transition back into society. While in this program, clients receive structured support to obtain employment and permanent housing.

Clean Team Workforce Development

Clean Team Workforce Development is an innovative project of the Allentown Rescue Mission, employing men who are working their way out of homelessness. Clean Team Workforce Development is a training program, teaching men transferrable workplace

skills, such as: promptness, safety, attentiveness, cooperation, and productivity. The goal for each participant is more than getting a job; it is to be a solid entry level worker, and a valued employee.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and reflect all material receivables and payables.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

Accounts receivable consists of miscellaneous operating receivables collectible by the Organization. Accounts receivable are stated at unpaid balances, less allowance for credit losses. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on prior collection experience, analysis of customer's ability to pay, economic conditions and other circumstances, which may affect the ability of customers to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. As of June 30, 2024 and 2023, management has determined that no allowance is required.

Investments

Investments in equity securities with readily determinable fair values and all investment in debt securities are measured at fair value in the combined statement of financial position. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the combined statement of activities as increases or decreases in net assets without donor restrictions unless the income or loss is restricted by donor or law.

Inventory

Inventory consist of food and other supplies. These items are stated at the lower of cost or market valued on a first-in, first-out basis. Donated food inventory is valued at an average of the national wholesale prices as determined by Feeding America.

Notes to Financial Statements Years Ended June 30, 2024 and 2023

Advertising

Advertising costs are expensed as incurred and were \$167,333 and \$127,534 for the years ended June 30, 2024 and 2023, respectively.

Outside Perpetual Trusts

The Mission is a beneficiary of two perpetual irrevocable trusts held and administered by independent trustees. Under the terms of the trusts, the Mission has the irrevocable right to receive a portion of the income earned on trust assets in perpetuity. The fair value of the beneficial interest in a trust is recognized as an asset and as a donor restricted contribution at the date the trust is established. The Mission's estimate of fair value at each reporting date is based on fair value information about the trust's assets received from the trustees. Trust assets consist of, but are not limited to, cash held for investment, real assets funds, equity securities, alternative investments, and fixed income securities. These assets are not subject to control or direction by the Mission. Distributions of income from the trusts are reported as investment income. Gains and losses, which are not distributed by the trusts, are reflected as the change in value of outside perpetual trusts in the statement of activities.

Property and Equipment

Property and equipment, other than contributed property and equipment, is stated at cost. Depreciation is computed by use of the straight-line method based on estimated useful lives. Such assets and lives are generally as follows:

	Years
Land Improvements	45
Buildings and Improvements	39-45
Equipment and Vehicles	5-7

The Organization reports gifts of land, building, and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Additions and betterments of \$500 or more are capitalized while normal repair and maintenance expenditures are not capitalized because they neither add to the value of the property nor materially prolong its useful life.

Revenue and Revenue Recognition

The Organization's contract service income is recognized over time as the services are performed.

Notes to Financial Statements Years Ended June 30, 2024 and 2023

The Organization provides grounds maintenance, interior demolition and cleanup, and other labor related services in Allentown, Pennsylvania, to residential and commercial entities, including fixed fee and hourly rate contracts. For fixed fee contracts, the Organization is entitled to payment for its performance to date if the contracts are cancelled for any reason other than the Organization's nonperformance. As a result, contract revenue is recognized over time as services are rendered. Progress towards completion of the contracts is measured by the percentage of hours incurred to date to estimated total hours to complete the services due to management's belief that total hours are the best available measure of progress on contracts. For hourly rate contracts, revenue is recognized in the amount invoiced as that amount corresponds directly to the value of the Organization's performance to date.

Revenues from contracts with customers disaggregated based upon the timing of the transfer of services is as follows:

	 2024	 2023
Services transferred over time	\$ 978,263	\$ 996,668

The beginning and ending contract asset balances were as follows:

	 2024	 2023	 2022
Accounts receivable	\$ 104,486	\$ 115,458	\$ 109,044

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. There are no conditional contributions for the years ended June 30, 2024 and 2023.

A portion the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. The Organization received cost-reimbursable grants of \$40,000 and \$53,920 for the years ended June 30, 2024 and 2023. The Organization has no refundable advances related to these grants as of June 30, 2024 and 2023.

Special events revenue is comprised of an exchange element based upon the direct benefits donors receive and a contribution element for the difference. We recognize special event revenue equal to the fair value of direct benefit to donors when the special event takes place. We recognize the contribution element of special event revenue immediately, unless there is a right of return if the special event does not take place.

Allocation of Expenses by Function

The Organization's method for allocating expenses among the functional reporting classifications which cannot be specifically identified as program services or supporting activities are based on estimates made for time spent by key personnel between functions, space occupied by function, consumption of supplies and postage by function, and other objective bases.

Cash Equivalents

For purpose of the Statement of Cash Flows, the Organization considers certificates of deposit and all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Operating vs Non-Operating Revenues and Expenses

The Organization's operating revenues and expenses on the Statement of Activities is based on the Organization's operating budget. All other revenues and expenses are reported as non-operating.

Income Taxes

The Organization is a nonprofit organization incorporated in the Commonwealth of Pennsylvania and exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code.

The Organization follows the accounting guidance as codified in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Income Taxes - Uncertainty in Income Taxes. FASB ASC 740 clarifies the accounting for uncertainties in income taxes recognized in the Organization's financial statements. The standard prescribes a recognition threshold of more likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold has been met. The standard also provides guidance on derecognition, classification, interest and penalties and disclosure.

The Organization has no material unrecognized tax benefits or accrued interest or penalties. The Organization has filed tax returns in the U.S. and Commonwealth of Pennsylvania. The years ended June 30, 2022, 2023 and 2024 are open for examination by taxing authorities generally for three years after filing.

Management's Review

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through May 14, 2025, the date the financial statements were available to be issued.

NOTE 4. FAIR VALUE MEASUREMENTS

The Organization adopted FASB ASC 820-10, Fair Value Measurements and Disclosures, as it pertains to its financial assets and liabilities. ASC 820-10 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, based on assumptions that market participants at the measurement date, based on assumptions that market participants would use, including consideration for non-performance risk.

Management assesses the inputs used to measure fair value using a three-tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market. The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Organization has an investment in a Limited Partnership and Outside Perpetual Trusts classified as Level 3 assets.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

<u>Outside Perpetual Trusts:</u> Measured based on quoted market prices of the underlying securities and other relevant information generated by market transactions, divided by the Mission's share based on its pro-rata share of distributable income of the Trusts.

<u>Stocks:</u> Measured based on quoted market prices of the underlying securities and other relevant information generated by market transactions on the date of valuation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement

Notes to Financial Statements Years Ended June 30, 2024 and 2023

at the reporting date. There were no transfers between Level 1, Level 2 and Level 3 investments in 2024 and 2023. Transfers would be recognized at the end of the reporting period.

The following table sets forth by level, within the fair value hierarchy, the Organizations' assets at fair value as of June 30, 2024 and 2023:

Assets at Fair Value as of June 30, 2024

NOTE 8. DONATED MATERIALS AND SERVICES

The Mission receives various donated materials such as food, clothing, supplies and equipment. The Mission's policy related to gifts-in-kind is to utilize the assets given to carry out the purpose of the Organization. Thus, the fair market value of contributed materials is reported as support and expense in the period which they were received. If an asset is provided that does not allow the Mission to utilize it in its normal course of business, the asset will be sold at its fair market value as determined by appraisal or specialist depending on the type of asset.

The Mission also receives donated medical and other services for individuals in need of care. Contributed services are recorded if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The fair market value of contributed professional services is reported as support and expense in the period in which the services are performed. The table below summarizes the fair market value of contributed materials and services:

		2024	2023		
Donated equipment	\$	-	\$	746	
Donated food and supplies		211,151		318,840
